ANTHEM

*William Byrd*

Adorna thalamum tuum, Sion,  
et suscipe Regem Christum:  
amplectere Mariam, quae est coelestis porta:  
ipsa enim portat Regem gloriae novi luminis.  
Subsistit Virgo, adducens manibus Filium ante  
luciferum genitum:  
quem accipiens Simeon in ulnas suas  
praedicavit populis  
Dominum eum esse vitae et mortis  
et Salvatorem mundi.

*Adorn thy bridal chamber, O Sion,  
and receive Christ the King:  
embrace Mary, who is the gate of heaven,  
who herself truly brings the glorious King of new light.  
She remains a virgin, though bearing in her hands a  
Son begotten before the daystar,  
whom Simeon, taking him in his arms,  
proclaimed to the people  
to be the Lord of life and death,  
and Saviour of the world.*

Lord, Thou hast been our refuge, from one generation to another.  
 Before the mountains were brought forth or ever the earth and the world were made,  
 Thou art God, from everlasting, and world without end.  
 Thou turnest man to destruction: again Thou sayest, come again, ye children of men.  
 For a thousand years in Thy sight are but as yesterday,  
 seeing that is past as a watch in the night.  
 As soon as Thou scatt'rst them, they are even as a sleep:  
 and fade away suddenly like the grass.  
 In the morning it is green, and groweth up: but in the evening it is cut down,  
 dried up and withered.  
 For when Thou art angry, all our days are gone;  
 we bring our years to an end, as it were a tale that is told.

## THE CHOIR

The Saint Thomas Choir of Men and Boys is considered by many to be the leading ensemble of its kind in the Anglican choral tradition in the United States. The Choir performs regularly with Orchestra of St. Luke's, or with the period instrument ensemble, Concert Royal, as part of its own concert series. Its primary *raison d'être*, however, is to provide music for five choral services each week. Live webcasts of all choral services and further information including recordings of the choir may be found at [www.SaintThomasChurch.org](http://www.SaintThomasChurch.org)

Supplementing its choral services and concert series over the past four decades, the Choir has toured throughout the U.S. and Europe with performances at Westminster Abbey and St. Paul's Cathedral in London, King's College, Cambridge, Windsor, Edinburgh, St. Albans, the Aldeburgh Festival and the Vatican. In February 2012, the Boys of the Choir traveled to Dresden to give the premiere of Lera Auerbach's *Dresden Requiem* with the Dresden Staatskapelle in the Frauenkirche and Semper Oper. Later in 2012, the Choir was invited to perform in the Thomaskirche at the Leipzig *BachFest*, a highlight of their June 2012 tour to Germany and Copenhagen. Domestically, the Choir most recently toured the Southeastern United States and was a featured performer at the National AGO Convention in Houston, Texas.

In addition to the annual performances of Handel's *Messiah*, concerts at Saint Thomas Church have included Requiems by Fauré, Brahms, Mozart, Duruflé, Victoria and Howells; Bach's *Passions, Mass in B Minor* and *Motets*; the U.S. premiere of John Tavener's Mass; the U.S. premiere of Nico Muhly's work *My Days* with viol consort Fretwork; Handel's *Israel in Egypt*; a program of Handel and Purcell's baroque masters conducted by John Scott and Richard Egarr along with Juilliard 415 and MacMillan's *Seven Last Words from the Cross*, conducted by David Hill. In 2014, the Boy Choristers performed in Bach's *Saint Matthew Passion* at the Park Avenue Armory as part of Lincoln Center's White Light Festival with the Berliner Philharmoniker under the direction of Peter Sellars and conductor Sir Simon Rattle.

The Gentlemen of the Saint Thomas Choir are professional singers; the Boy Choristers attend the Saint Thomas Choir School. Founded in 1919, it is the only church related boarding choir school in the United States, and one of only a few choir schools remaining in the world. The Choir School offers a challenging pre-preparatory curriculum, interscholastic sports, and musical training for boys in grades three through eight. The Choir School is committed to training and educating talented musicians without regard to religious, economic, or social background. Choristers are sought from all regions of the country. Details of admissions procedures and audition requirements are available at [www.ChoirSchool.org](http://www.ChoirSchool.org)

The Saint Thomas Choir of Men and Boys is represented by Karen McFarlane Artists, Inc. ([www.concertorganists.com](http://www.concertorganists.com)) and records exclusively for Resonus Classics ([www.resonusclassics.com](http://www.resonusclassics.com))

## ABOUT THE ORGANS

Saint Thomas Church has three organs. The chancel organ is a temporary digital using the Hauptwerk system and assembled by Jonathan Ortloff of Boston. This organ serves as the primary service instrument during the construction of the Miller-Scott Organ, expected to be complete by Autumn 2018. This organ of 102 stops across four manuals and pedal is being built by Dobson Organ Builders, Ltd. with wood carving work by Dennis Collier Studios. This new organ will retain the 'blaze of sound' for which the Arents Memorial Organ was beloved while providing a greater degree of color, expression, and tonal flexibility to better accompany the choir. Although predominately a new organ, the Miller-Scott Organ will retain fifteen of the finest ranks from the old instrument and is to be dedicated in memory of John Scott.

In the spring of 1996 the gallery instrument was dedicated as the Loening-Hancock Organ. The firm of Taylor & Boody of Staunton, Virginia built the instrument to a specification of 21 stops over two manuals and pedal. In 2015, Taylor & Boody expanded the instrument with the addition of a Brustwerk division and new color stops, bringing the completed disposition to 31 stops over three manuals and pedal. The instrument is inspired by the tradition of organ building which was active in the Netherlands and North Germany in the seventeenth and eighteenth centuries. Stop and key action are mechanical and the temperament is Kellner.

The Martha J. Dodge Continuo Organ was built and initiated in December, 2001. This superportative instrument, consisting of 4 ranks of pipes, was built by the firm of Taylor & Boody.

The Saint Thomas Choir School is a residential school for Boys in grades three through eight. All Boys in the school sing in the Choir of Saint Thomas Church. The student body, drawn principally from the East Coast, is quite diversified. Though they come from a wide variety of economic and cultural backgrounds, the Boys all share an involvement in music and a high level of academic ability.
